Dear [redacted]

How thoughtful of you to send me the June 1977 Conflict Study on the Soviet Navy. I have not had the opportunity to read it yet, but my staff tells me it is particularly interesting so I shall make a point to read it very soon.

My thanks to you and the Institute. Please remember me to [redacted] when next you see him.

Reply to VADM Le Bailly
for Conflict Study rpt
on Soviet Navy.

1. Suggest you add
opening + closing of ltr
by hand in European style
2. Jim reviewing the study
will pass on anything of
interest.
